Building Brighter Futures:

Integrating Infant and Early
Childhood Mental Health
into Higher Education

FRIDAY
AUGUST 28, 2026
9:30 a.m. - 3:30 p.m.

AURARIA CAMPUS
DENVER,
COLORADO

FOR HIGHER EDUCATION
FACULTY & ADVANCED
GRADUATE STUDENTS

BE PART OF THE SOLUTION. Help build brighter futures by preparing the next generation of professionals and fostering supportive communities.

ABOUT THIS EVENT

This interactive event explores how higher education professionals can integrate perinatal, infant and early childhood mental health into teaching, research, field experiences, and community engagement. Professionals interested in these topics and strengthening student preparation are encouraged to attend!

WHY ATTEND?

- Learn about perinatal, infant, and early childhood mental health as it relates to your work
- Enhance student preparation
- Access practical tools and resources
- Network and collaborate
- Leave with ideas you can put into action

WHAT TO EXPECT

- Expert presentations
- Interdisciplinary discussions
- Action planning
- Resources and partnerships

PARKING, LUNCH, AND WORKSHOP
MATERIALS WILL BE PROVIDED.

Space is limited.

RSVP by QR code or [RSVP link](#).

*Interested, but can't attend?
Save the date for a second event on Nov. 16th*
